BY DIVINE DESIGN

God's perfect plan for your imperfect life

The GOAL of the class is to communicate the loving truth of God's Divine Design. We will go back to the beginning and look at who God is and the beauty of His greatest creation: you and me.

We will take a look at our new identity in Christ and the destiny God has for us In Christ, on this earth now. As children of God we will see how He made it possible to experience Him in abundance.

EXPERIENCING GOD

worship center

God is inviting you into an intimate love relationship through which He reveals to you His will, His ways, and His work. When you recognize where God is working, you can join Him in what He is doing. Carefully listening to His voice will anchor you in His plan and set you free to live it with boldness and freedom. Then you will experience God doing through you what only He can do.
