

Project 78 Update June 2026

Canopy & Playground

The Canopy & Playground are complete!!! We are now on to our next two projects, the Multi-Purpose Bldg and the Special Needs space. We will keep you in the “know” as things progress. Thank you for your continued generosity as we plan for the future and generations to come! I want to especially thank Birmingham Electric Company for supplying and installing all the light fixtures for the canopy. This will enable us to apply that money savings for our Special Needs space.

Please be praying for wisdom as we engage in the next Phase of Project 78...

Multi-Purpose Building

MONEY

Total Pledges Given to Date	\$1,395,894
Total Cash on hand for remaining projects	\$1,893,733

Special Needs Space
