

IMPACT City's Mission:

Through the Love and Gospel of Jesus Christ,
to **IMPACT** our City for Jesus Christ

Serving those that selflessly
serve us every day

Firefighters and Police:

They stand ready to serve us at any time.

Many of our calls put them in danger, yet
they selflessly serve.

They see and deal the worst and most
tragic situations.

Nursing Home Staff:

The COVID Pandemic hit our
nursing homes especially hard.

Many of the staff were confronted
with tragic situations every day,
while putting themselves in
danger to provide care to their
patients.

*These unsung heroes need
encouragement now more than
ever.*
