

# SEXUAL ASSAULT AND ABUSE

The Bible shows that our God cares so much for people, valuing them because they are made in His image. Thus, He hates when they are abused. Jesus came to bring justice to the oppressed.

In particular, sexual assault and abuse more commonly affects women. Jesus showed great respect towards women, which was not common in His day. As we approach this topic, we must follow the example of our God who values humans, fights for justice for women, and offers healing to those who are hurting.
