

Sunday Evening Childcare Schedule

Updated February 2023

Westwood takes joy in providing child care for Sunday night Life Groups because we know this facilitates the work of God through Bible study, fellowship and prayer. Here are some guidelines that will help us meet your needs while using our resources wisely.

- **Hours:** Childcare is currently provided for Life Groups who begin between 5:00 and 6:00pm. Children may be dropped off as early as 5:00pm and should be picked up by 8:00pm.
- **Promptness:** Childcare is provided only for group time and travel time. Please don't drop children off early and please be prompt in picking them up following the group meeting.
- **Food:** Parents are asked to send a sack dinner with their children. All dinner will be served at 6:30pm. Due to allergies of other children, we ask that no peanut or tree nut products be used in food that is sent.
- **Cancellations:** If your group decides not to meet, please contact Virginia Opper. If a number of groups cancel, we may not offer childcare on a particular night. We need a few days' notice for this to be helpful. Please make your group meeting plans at least a week in advance.
- **Fellowship Events:** The church provides childcare for regular group meetings that involve Bible study and prayer. If your group meets for a fellowship event, separate arrangements need to be made for childcare. You may be able to use childcare for a fellowship event, but will likely be charged for that. For more information, please contact Virginia Opper.
